

# Erica BRIGHTHILL

*"Erica is an excellent country singer and she did a fantastic job at entertaining the crowd at the Thetford Mines Country Festival, we even asked her if she'd be back the following year."*

~ André Breton, Country Festival Promoter

## ABOUT ERICA

Erica Brighthill is a country singer, songwriter. Her style is country, pop and is often compared to artists such as Carrie Underwood and Lauren Alaina.

Erica was signed to Willow Sound Records in 2018 and is working with industry professionals Tara Shannon (Ottawa) and Debbie Zavitson (Nashville).

Born to be a performer, Erica invites you into her world by sharing her love for life and music through a variety of covers and originals.

Her latest single "Still Small Voice" speaks to what she has persevered and how music helped her find her path in life.

*"Erica's positive attitude, welcoming vibe, unique tone and catchy melodies are just some of what to love... she's a great entertainer!"*

~ Chantal Hackett, Owner of Sing House Studios
